Dear Tampa Roofing Company, Inc.,

Enclosed you will find full payment for the completion of the roof replacement.

I would also like to take this time to commend the individuals working at my house as they treat my property as if it was their own. They were polite and all spoke like they had been educated at a high level. At the end of each day they cleaned up the property so that I would not have to look at any trash blowing through the yard. Not knowing how to roof a house, everything they did to protect my house from intrusion of water, wind and bugs seems to be more than adequate.

Should you need a prospective customer to obtain a level of confidence with your company, you are more than welcome to give them my name, phone number and address to speak on your behalf.

Sincerely,

A handwritten signature in cursive script that reads "Robert French".
